Light. Life. Love.

We are planting a church in downtown Prescott, Arizona because people need the gospel of Jesus Christ.

About the city:

Prescott is the 3rd largest metropolitan area in Arizona, with over 100,000 residents in the quad-city area. Most of those people live within a 10-mile radius of downtown Prescott.

Nicknamed *Everybody's Hometown*, Prescott attracts people with its charm, mild climate and natural beauty.

Prescott has been labeled *Recovery City, USA* because of the multiple drug and alcohol treatment centers located here.

There are six colleges located in and represented within Prescott, including Yavapai College, Prescott College, And Embry-Riddle Aeronautical University.

Throughout scripture, there is a consistent theme: God speaks, light flows, and life forms – all out of the loving character of God.

About Lumen Deo:

Lumen Deo means *Light of God*. It is our vision to be a church in which the faithful message of God’s character continues.

There are two foundational components of Lumen Deo:

Gatherings:

A time of worship where songs are sung, the word is preached, and the sacraments of baptism and the Lord’s supper are observed, all with a gospel-centered mindset for the glory of God.

Gospel Communities:

Groups that join together regularly to grow in relationship with Jesus and one another. GC’s are a key component in discipleship, and are open to anyone and everyone that has questions about faith and life. Through Gospel Communities, we are mobilized to serve one

another and the needs of our community through proclaiming and demonstrating the love and light of the gospel.

Our Mission is to glorify God through gospel-centered lives in community and on mission with the good news of Jesus Christ:

Gospel-Centered Life:

We seek to be a people that sees the light of the gospel as applicable to all facets of life.

Gospel-Centered Community:

Building relationships and sharing life with one another, aiming to be more like Jesus.

Gospel-Centered Mission:

We are disciples of Jesus that are called to make disciples and to multiply through church planting, thus fulfilling the great commission that Jesus has given us.
